Good Afternoon EV Working Group:

I hope you are all well. As a reminder, we have an EV Working Group meeting here on Friday morning at 10 a.m. Jennifer Mundt said she won't be able to join us so I'm hoping either Brian Phillips or Mike Abraczinskas can provide an update on the VW Settlement plan. Following that I'd like to move to a concrete discussion of EV legislation or policy changes we would like to see proposed.

I've attached both the meeting agenda and a list of the legislative items we have discussed to date. I'd like to pick back up on those items which we left while the VW settlement issue was getting attention.

If you plan to attend and don't see your name on the agenda, please let me know so I can add you. A call in number is available but I'd encourage you to come to our offices if you are flexible.

Thanks,
Diane
